### From the desk of Reverend Ken...

Good day and Happy Summer!

Thank you each for the gifts sent to the church for use in the Pastor's Care Fund. An interesting question was asked regarding this Fund. Someone was misdirected about what the Fund was all about. A presumption was that this was a gift fund to give to me as "extra pay"! LET ME ASSURE YOU! The purpose of this Fund is for me to gift people in our Hanover community with money they need to buy groceries, pay rent, fix a vehicle, and other essential expenditures.

I am very prudent regarding who receives these funds, taking great care in understanding whether the person is in real need, or not. There were several thousand dollars in the fund to start, and, even though I did not think I was going to expend all those monies, I found a great many reasons to assist a great many people – 36 individuals! I did run out of funds.

How do I find these people? Sometimes I am at the grocery store and see someone running short on money, or overhearing their conversation before they reach the checkout. If I have money in my pocket from this fund, I will assist. The look on people's faces when this occurs is magical! I make certain that I tell them that YOU made this possible. But I also receive requests through the office and an occasional email or direct phone call. I do not immediately distribute money, but I take time to investigate the situation and ponder the request – does it make sense, I ask myself; is how the person asked me sensible? These are just a few things I ponder before gifting someone. We even have one new attendee because of your gifts!

I continue to know of others in need. Please, support us by your generous giving to this Fund, it makes an immediate impact on neighbors of this Church, and as you can see it may grow our numbers!

# Penn Central Conference Annual Meeting recap

The 60th Annual Meeting of the Penn Central Conference was

convened via Zoom over the week of June 6-11, 2022. I was asked to serve as a delegate for Emmanuel. I was unable to attend the June 6 Plenary, but participated in the following three workshops over the next three days: Pandemic Defeated: Congregational Care; Planting, Growing, Sharing: The Ecology of Regenerative Agriculture & Church Gardens; and Music and Worship in Smaller Congregations.

Documents and official reports relevant to this meeting, including extensive resource materials from the music workshop, can be found at: <https://pccucc.org/annual-meeting/>.

The June 11 Plenary Session began at 9 a.m. with a voting tutorial and other administrative tasks. At about 10 a.m. the Plenary Session began with a "State of the Conference Address" delivered by our Conference Minister, the Rev. Carrie Call, Ph.D. I cannot do justice to this address in this limited space, but highly

commend to you read a transcript or listen to a recording when one becomes available. The Nominations Committee Report followed.

The Gettysburg Association has vacancies, particularly in lay leadership, that we hope to fill over the next few months. In addition to other reports by conference staff, I think it is important to note the passing of three clergy of our association since the beginning of 2022: Lou Hammann, Dick Benner, and Bill Schiller.

Respectfully submitted,  
Joel Hummel, delegate

### **Rev. Ken, continued from Page 1**

Don't forget Summer worship! I have abbreviated the time devoted to worship on Sunday mornings and we have made the starting time a more sensible 10 am. I promise that this Summer, if you attend worship, you could get to your day by 10:35 am! Worship will be brief, but powerful! Powerful, especially if your spirit is in attendance.

Come! Sing, Love, receive and give Joy and Hope! I will be thrilled to see you and I

pray that my words will offer strength, reason, hope, and meaning.

You are one of God's favorite Creations!

~Rev. Ken

► Thank you for giving \$2,350 in June to the Pastor's Care Fund appeal! To contribute, drop your donation in the offering, mail to the office or give online. Make checks to Emmanuel UCC and indicate PCF in the memo.

products plus a bag of travel-size items have been delivered to local food banks. The next collection date will be Communion Sunday on July 3. Contact Marilyn Van Lenten.

- A total of \$535 was collected for Fisher House to benefit families of hospitalized vets.
- On Missions Sunday, June 12, representatives of four local agencies, God's Meal Barrel, Hoffman Homes for Youth, New Hope Ministries, and The Salvation Army-Hanover Service Unit, spoke about their service to the community. The representative of the Hanover Area Council of Churches was unable to attend. All received donations from Emmanuel's Missions funds: \$2,000 each to HACC, Hoffman Homes and New Hope Ministries, and \$1,000 to God's Meal Barrel and The Salvation Army.
- The UCC collection for Strengthen the Church will take place June 26. ### **Property & Safety Committee — June**

- During the fire drill held last month, it was determined that the screen at the front of the sanctuary is blocking the flashing emergency light. Another will have to be installed on the other (choir) side of the sanctuary.

**Continued on next page**

## **Committee Highlights, continued from Page 6**

- The emergency lighting throughout the buildings has been tested. A number of the fixtures are not working and will need attention. Since the batteries for the current fixtures are as expensive as new LED fixtures, many of them will be replaced with more efficient, longer-lasting fixtures. The fixtures have all been located and numbered for ease of monitoring.
- The boiler inspection revealed two areas which need attention. The first has been addressed and a relief pipe has been replaced. The second involved removing corrosion to see if there is a leak. There is, and it will have to be fixed before the next heating season.
- The state security grant application was completed and submitted in late May, just before the due date of June 1. We are waiting for any requested corrections and the final word of approval so that the steps outlined may be taken to improve our security.
- The plasterer will be starting the various repairs soon. He was waiting for his son to finish school for the year to have a helper. He'll address the four areas individually, each taking about a week.
- There is no definitive time for the concrete work to begin in the courtyard and sidewalk and curb by the office. The Borough water engineer will be working with the mason to improve the drainage, although we are hindered by our special circumstances – courtyard must drain, sidewalk can't be elevated above that drainage, Broadway has been elevated by paving.
- Two new shrubs have been planted along the sidewalk that runs along the church buildings. Some shrubbery was damaged during the tower painting. The goal is to have a pretty, self-sustaining garden there, reducing the time required of garden committee members. Two hollies were damaged, also, and they must be replaced. That will happen this fall.
- There was a mulberry bush growing out of the tower next to the office building. It has been removed due to concerns about damage to mortar. Both towers will be inspected to be certain that the drains there are working properly.
- One estimate has been received for the work to repair the flat roof above the Gathering Space. You will recall that there was water infiltration during the winter because of ice build up and some cracking of the rubber roof. Another estimate will be sought.
- A deer was so enchanted by our courtyard that she visited. Unfortunately, the iron gate swung closed behind her and she was trapped. She charged the glass door at the end of the courtyard three times and finally escaped by completely knocking the gate down. Damage to the door and gate resulted. Prices for repair are being sought.

**This deer got stuck in the Courtyard on May 20 and damaged a door and the gate. Watch a one-minute video of the incident from our security cameras at <https://bit.ly/3NXKotR>.**

### **Worship & Music Committee — June**

- Plans for moving the Sunday morning worship to King Auditorium were discussed. Services will be held in the air-conditioned room during July and August. Don Horneff and Jamie Brown explained the efforts needed to move the livestreaming equipment. The services, with special music, will begin at 10 a.m.
- Mary Bair noted her efforts to revive the Altar Guild, saying several members have volunteered and more are being sought. While the guild has traditionally been served by the women of the church, Mary said men are also invited to help.
- Summer schedule includes:
  - ◊ August 27 – Ring and Sing when the choirs read new music.
  - ◊ August 28 – Annual Outdoor Service at the Gitt Library. Starting at 9:30 a.m. Included will be a Continental breakfast of danish, fruit and coffee.
  - ◊ September 18 – Rally Day. Service will return to the Sanctuary.
- Don outlined the number of livestreaming viewers and in-person attendance for May, noting some increases.

# Thank You

*On Mission Sunday, June 12, the Missions Committee gave \$2,000 each to the Hanover Area Council of Churches, New Hope Ministries, and Hoffman Homes for Youth, and \$1,000 to The Salvation Army and God's Meal Barrel.*

## From the Salvation Army

Dear Missions Committee and Congregant Members,

I want to thank you for your generous donation of \$1,000 to the Salvation Army–Hanover Service Unit. All donations help aid those in need from our community.

The Salvation Army is here for vulnerable people who come to us for help in their time of need. Donations will help us transform lives by bringing comfort and support to people who have no one else to turn to and give hope to people who have reached the brink of despair. Often, the Salvation Army is the “safety net” for people in need, giving them the encouragement and support they need to build a better future. But we can only be there for everyone who needs us with help from folks like you, so Thank You.

Kathi Thomas  
Caseworker, The Salvation Army–  
Hanover Service Unit

## From New Hope

Dear Members of Emmanuel UCC,  
Thank you for your amazing gift to New Hope Ministries! Thank you also for allowing me to speak during the service about New Hope. Your support will help us to provide food for the hungry and assistance for families in crisis. Thanks again for your support!

## From the Council of Churches

Thank you for blessing us with your donation of \$2,000 which will be applied to the greatest needs here at the Hanover Area Council of Churches.

### **EUCC awarded state grant for security**

The Pennsylvania Commission on Crime and Delinquency approved our application and awarded \$20,975 to Emmanuel UCC through the Nonprofit Security Grant Fund Program.

We are one of 120 faith-based organizations and other nonprofits which serve diverse communities that were awarded the grants to improve their facilities' security and protect from hate crimes.

The money will be used for upgrades to our CCTV system, additional wireless panic buttons, electrical work, and ALICE active shooter training for key personnel and leaders.

Work in the coming months will bring more lighting around the church and cemetery by J. Miller's Electric; and installation of additional security cameras at the church and cemetery by WFX – Westminster Fire, Lock, and Security.

• Our church is an OPEN AND AFFIRMING congregation •
