From the Desk of Rev. Ken . . .

Peace and Love. Peace and Love!
Worship is about begin again in our Sanctuary as the heat of Summer gently moves aside. I must say as many guests have remarked about our Sanctuary that it is lovely. Having served my church in Essex, Conn., for 17 years prior to my arrival here in Hanover, I was attuned to VERY plain surroundings. In the New England/Congregational manner there were four blank walls, tall windows a banner or two and the brass cross on the altar. Being more of a “Lutheran” flavor here a high church décor was created in the building of our church. I like it and being up front I also get the beauty of the rose window in the rear to gaze upon all the time! This beauty is a gift of legacy from those who came before us, something I mention most Sundays in our offering appeal.

My appeal, the church’s appeal, to you as the present congregation is to assure the future call to service and grace to those yet to come. In two months we will once again ask for you to offer a pledge of financial support for the upcoming calendar year. As always we acknowledge that everyone has a different financial situation, different needs and different plans for their family. We do ask that you consider the church generously according to your abilities and love for how we care for the people of the church, the people of Hanover, and to the people of the world (and the planet itself!).

I make an appeal beyond this weekly appeal also. From great and small gifts beyond a weekly pledge, those before us have donated monies that were wisely and prudently invested. From those investments we are capable of caring for this grand facility and to fund special mission projects today. Our boiler has been replaced with forced air, gas furnaces just this past month. Blinds replaced near the ceiling of the auditorium. A fund to assist many outsiders and members when in

Member Appreciation Sunday

Fellowship Hour will be a celebration of you – our wonderful congregation! Hosted by the Church Growth Team, this special gathering is an opportunity to enjoy good food, games, and time together. Lunch will include hot dogs, a sandwich tray, sides, snacks, drinks, and sweets.

There will be games for all ages, including Rummikub, Rack-O, Lanterns, Trellis, children's games, and more. Have a favorite game? Bring it along and share it with the group! Stay awhile, play awhile, and enjoy the fun together – we'll keep the good times going until 2 pm.

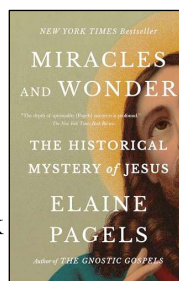

September 20

Adult Sunday School

Adult Learning Hour meets for lively book discussions at 8:30 am Sunday mornings in Bowers Chapel and by Zoom.

The next session begins September 20 and will feature "Miracles and Wonder: The Historical Mystery of Jesus," a look at of the origins of Christianity and how a poor young Jewish man inspired a religion that shaped the world. The book reads like a historical mystery, with each chapter addressing a fascinating question and answering it based on the gospels Jesus's followers left behind. Author Elaine Pagels is a professor of religion at Princeton University.

Pick up a book and sign up in the church office. For questions, the Zoom link, or more info, email Brian at brianfrederick44@gmail.com.

Children's Sunday School

Children ages 4 through 7th grade are invited to join us after the Time for Children for Bible-based discovery and exploration through songs, games, crafts, and creative activities.

This fall, students will dive into the "Deep Blue" curriculum, exploring Scripture and stories from Genesis in fun and engaging ways.

Register your child using a form available at the Opportunities Table, or contact Cheryl Fritz at candmfritz@aol.com.

Also this month

In Music

Rail Trail honored with environmental award

The York County Rail Trail Authority's project to restore the Oil Creek floodplain along the Hanover Trolley Trail in Heidelberg Township earned a 2026 Governor's Award for Environmental Excellence.

This Pennsylvania Department of Environmental Protection award honors innovative efforts that are improving air and water quality, reducing pollution, restoring ecosystems and building healthier, more sustainable communities throughout the state.

The \$2.1 million Oil Creek project included a $\frac{3}{4}$ -mile extension of the Hanover Rail Trail plus restoration of the stream channel and 11 acres of wetland. The restoration was a cooperative effort and required more than 80,000 cubic yards of nutrient-rich sediment to be removed from the bottom of the creek. That sediment was spread throughout adjacent farmlands, helping to improve crop

productivity through environmentally sustainable practices.

The wetlands restoration also bolstered support of local species of birds, frogs, insects and small mammals, and native trees, shrubs and plants. There are two dedicated wildlife viewing stops on the trail with benches overlooking Oil Creek.

The Hanover Rail Trail

extends 3.4 miles from Moul Avenue in the borough to Jacobs Mill Road in Heidelberg Township.

■ PARKING IS COMING!

Construction on the long-awaited trail parking lot off Route 116 began in July and is expected to be completed in late October. A bridge and boardwalk will connect 23 parking spaces to the trail.

Committee Reports, continued from Page 6

- At the cemetery:
 - Heavenly Landscaping, our regular mowers, cleared a downed tree limb in July along with other debris and yard waste thrown in over the fence, we suspect from neighbors.
 - The landscapers brought to our attention that dog droppings are an issue in the grass strip along the alley so and we purchased "Clean Up After Your Dog" signs.
 - Green Stripes Lawn Care removed the problem tree in the corner on August 6. The total is \$2,700.
- Basement utility room water heater expansion tank developed a pinhole leak. A new one was purchased at Lowe's and installed by Sean.
- Flat roof over annex continues to be a problem. The leak over the Nursery bathroom is getting worse. This roof has also leaked in the sitting area and in the Memorial Corridor. Bealing has done patches but the entire job is beyond their usual scope and they recommend replacement by a commercial roofing contractor.

Stewardship Committee — August 11

- Four couples have been confirmed to give brief testimonials on giving that will be recorded and shown prior to the service on the four Sundays leading up to Commitment Sunday, Nov. 15. Rev. Ken will tape these and send them to Andy.
- Information regarding Commitment Sunday will be distributed starting in September. Letters will be sent in the middle of October and the first week of November and phone calls will be made the week prior to Commitment Sunday.
- The celebration lunch will be held after the service on Commitment Sunday. A sign-up sheet will be placed in Fellowship Hall to help those in charge plan.
- A goal for the stewardship campaign was discussed. It was agreed that in light of current economic climate, many would be hard pressed to pledge more than they currently give and any specific goal would be a challenge. Members will be asked to prayerfully consider pledging any increase that is feasible for them personally.
- To make giving more convenient, creating a QR code to facilitate easy electronic giving. This will be placed in the bulletin, newsletter and on the screen.

Worship & Music Committee — August 3

- Bob Marchio resigned from the Worship and Music Committee and the committee extended words of gratitude for Bob's many years of service.
- Rev. Ken will be soliciting feedback from members regarding the past few services. The pros and cons of the table setup in the King

need. Small but timely purchases of equipment and services needed for daily/weekly use. Our Mission funds which offer hope to many. And the list goes on.

Are you able to offer additional gifts to the unrestricted investment funds which we maintain and turn to regularly? Have you remembered the church in your estate and Roth and mutual funds? It's actually very easy to add such a consideration to your estate and funds, and you only need ask me or a financial officer of the church.

September 6 is our last Sunday in the Auditorium when we will offer Communion to one another as we did on the first day there in June. Each Sunday in September will offer a special emphasis in worship. September 1 and 8 through Zoom I'll offer a Bible Study covering the scriptures until Advent. A New Member gathering happens September 17, 7 pm, at church.

As the Summer ends this month I pray that the warmth remains in your heart, that our church remains sunlight to all, and that as the daylight grows shorter the energy and blossoms of this past season shines in all that you do.

Blessings,
~Rev. Ken

From The Salvation Army...

Dear Pastor Peterkin and Missions Committee Members,

On behalf of The Salvation Army, Hanover Service Unit, I would like to express our sincere gratitude for your generous donation of \$1,000. Your thoughtful contribution will make a meaningful difference to those we serve.

Donations help us transform the lives of those in our community by bringing comfort and support to people who have no one else to turn to and give hope to people who have reached the brink of despair. Often the Salvation Army is the “safety net” for people in need, giving them the encouragement and support they need to build a better future. But we can only be there for everyone who needs us with help from folks like you, so Thank You.

Your support is vital to our mission and helps us provide comfort and care for individuals and families in need. Thank you once again for continuing to support the Salvation Army and the work we do.

Sincerely,

Kathi Thomas

Caseworker/Facilitator, The Salvation Army

From Homewood Living Foundation...

Dear Friends,

Thank you for choosing to be a part of our 2026 Homewood Golf Classic Tournament on Sept. 17, which will provide funding for the Benevolent Care at all our campuses.

We received your registration totaling \$250 for a Tee Sponsorship, which you have chosen to benefit Benevolent Care at Homewood Living Plum Creek.

Benevolent Care provides peace of mind for residents who, despite careful planning, are in need of support to continue calling Homewood home. We are grateful for your support!

Sincerely,

April Collins

Director of Philanthropy, Homewood Living
