COMPLETE CALENDAR, PAGE 9

From the desk of Reverend Ken . . .

Greetings from my series of medical “beds.” Between May 23 and June 12 I am having three surgical procedures – deep removal of a mole; colonoscopy; and full knee replacement (followed by 2 to 3 weeks out of office).

In that span of time I WILL be in contact with the church office, and while I will not be present, I will be receiving and placing calls, sending out notes, and preparing sermons for the Sundays of June 18 and 25, to be recorded and replayed during worship. FYI – on August 28 I will have my left knee replaced.

I am grateful for the medical knowledge and skill of the many people who support these many different procedures. I am grateful for the health insurance. I am grateful for the time available to me to have these procedures. The expectations we place on the “spiderweb” of supporting industries to provide sustaining medical care is very high. And so, I ask you and alert myself to place the appropriate amount of awareness and appreciation for all that we have come to expect in our lives!

Praise God, from whom all blessings flow!

I’d like to be able to offer a unique pastoral service to you especially if you can’t make it to Sunday mornings and/or you cannot leave your home. Could you please call me (860-581-0869) to touch base with me please? I am willing to bet that I could offer either something new and different, or something old and familiar that would make your day better! Whether it’s a visit, a phone call, or something delivered online (yes we can do that), please allow me to share a smile, a laugh, some deep reflection, or maybe an entertaining presentation. I’m here to offer you friendship, further God’s love, and to learn from you. Let’s meet up!

Enjoy your sunshine!

~Rev. Ken

UCC offering supports new and renewing congregations

Strengthen the Church: June 25

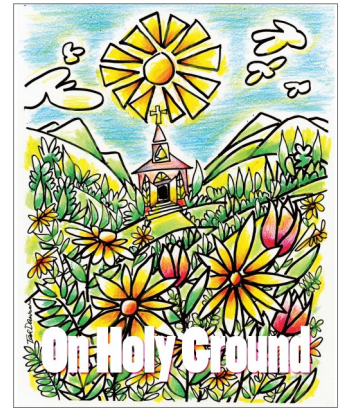

The author of the May 28 article in “The Upper Room” writes about Pentecost: “The disciples were at times hopeless and helpless, but the Holy Spirit showed up and changed everything. Those who gathered at Pentecost that day in the upper room were renewed with great courage...”

Just as the Holy Spirit renewed the courage of the disciples, isn't it possible that the Holy Spirit could work through us in the renewal and encouragement of our fellow UCC congregations? The UCC's Strengthen the Church collection is meant to do

this very thing – provide support and encouragement to new and renewing UCC congregations across the country.

Recently, Strengthen the Church funds have been used to enable congregations to give leadership training, provide youth programs, serve their communities and share resources. You will hear more about these efforts in the next few weeks.

Please consider extending your generosity to the support of UCC congregations through the Strengthen the Church collection, which takes place on June 25.

MISSIONS SUNDAY

Generosity: A gift from God

Guests will speak June 4

This message appeared in the May 14 devotional in “The Upper Room”: “Generosity is a gift from God. Our world is fraught with injustice and an imbalance of resources. But as instruments of God’s grace we can bring comfort to others by practicing generosity wherever we go.”

We are thankful for the generosity of our congregation and the support of our Consistory as we approach our 9th annual Missions Sunday on June 4. We will welcome guests representing five local faith-based agencies: God’s Meal Barrel, Hanover Area Council of Churches, Hoffman Homes for Youth, New Hope Ministries, and the Salvation Army Hanover Service Unit.

Each agency will receive a donation from our Missions Funds. Our guests will share with us how they provide life-changing help to the families in our community, from food and clothing to help with job searches and counseling. They will also tell us about the possibilities for volunteering, where we can expand our own generosity and work as “instruments of God’s grace.”

Please join us for Missions Sunday on June 4, and invite a friend to come with you!

Spring Yard Sale a success

The Missions Committee held another successful yard sale May 4-6! Total profit from the event was \$2,398.85 and will fund the education of three students overseas through the UCC's Global Ministries Child Sponsorship Program plus local agencies.

Emmanuel has been sponsoring two children over the past several years: Phurbu Dolma in India; and our sponsor child in the Philippines, Jin Marie Dequito, graduates from the program June 2 when she turns 18.

For the upcoming year, we will sponsor three children: We will continue to support Phurbu, another child from the same center in the Philippines, and now a child in Africa. School fees range from \$300 to \$420 per year for each child.

Thank you to all the donors along with our supportive volunteers who helped set up for three days, run the sale and clear up afterward: Larry Dubs, Donna Bair, Marilyn Van Lenten, Vicky and Pete Robinson, Linda Kuhn, Alec Sivel, Bob Larsen, Susan Larsen, Carol Giesey, Judy Morris, Mary Bair, Linda McKonly, Elaine

Donna Bair, Mary Bair and Carol Giesey, from left, help at the Yard Sale on May 5.

Weaver, Peg Moulton, Jody Adelsperger, John Wheeler, Jerry Bauer and Estelle King.

Yard Sale Future: Since Estelle King has moved, this was the Missions Committee's final Yard Sale at the King residence. But it doesn't mean the end of the EUCC Yard Sale. The committee is seeking a new location for future sales and is open to all suggestions.

UCC GLOBAL MINISTRIES CHILD SPONSORSHIP PROGRAM

Dear Sponsor,

First of all I would like to convey my warm Tashi Delek [*a Tibetan greeting meaning Good Luck*] to you and your family members.

How are you! Here I'm fit and fine. I am having fun with my friends in my school. I gave my final exam and right now I am in class V. I am very happy.

I went to my home town for the winter vacation. I met my parents and relatives. I enjoyed with them. I played a lot of games with my friends. The weather was so cold but here at my school weather is getting hotter day by day. I enjoyed during Losar [*the Tibetan new year's holiday was celebrated February 21-23 this year*], I played games

and ate many delicious foods. I even danced and sang a song. We all wore new clothes during Losar and went to monasteries for the blessing from Rinpoche [*a Tibetan honorific meaning "precious one"*]. It was a wonderful day. Lastly thank you so much for sponsoring.

Yours faithfully,
Phurbu Dolma

Phurbu included the drawing above in her letter, which was received in April.

Phurbu, age 10, is a Tibetan refugee who is in fifth grade at a boarding school in Kalimpong, India.

CONSISTORY MEETING HIGHLIGHTS

Consistory Minutes — April

April minutes were approved May 15.

- Property Chair Sean Moore presented details about upcoming projects. Price estimates from Randy Brady Masonry included \$12,600 for materials and labor to replace 53 feet of curb and sidewalk; and \$25,200 for materials and labor for the courtyard improvements including remove bricks, excavate ground to place stone and concrete, install trench drain, and reinstall bricks.
The replacement of the brownstone steps in front of the office will be higher than originally anticipated, possibly \$18,000 or more, because of newly required commercial code including architectural drawings and permits. Alec Sivel made a motion to move forward with the courtyard and sidewalk repairs ASAP due to the upcoming PennDOT repaving work this summer and table the step repairs until we find out from the Borough what building materials can be used to reconstruct the steps. Bill seconded the motion based on receiving Randy Brady's proposal and drawings. Vote taken with all in favor.
- Andy Crone outlined the plan to install upgraded wiring, grounded outlets, electrical boxes, audio cable, and data cable in the auditorium to make that area conducive to livestreaming summer services. Material and equipment costs will be approximately \$4,250, with electrician services as much as \$10,000. Charlotte Pinette made a motion to accept the proposal, awaiting electrician's costs. Cheryl seconded. Vote taken with all in favor. (The estimate for electrician services later came in at \$3,200.)

Dear Emmanuel United Church of Christ,

I'm truly fortunate to witness every day how the giving spirit of groups like yours can change the world. No matter how much circumstances change, one thing remains the same: people continue to show generosity and dedication to the families we serve.

And to magnify the joy of your gift, an additional group of generous donors has matched your donation, doubling the impact of your gift!

Thanks to your group of Heifer donors, moms are building business and earning steady income to feed their children... dads are running their own family farms instead of having to find work far away... you are providing nutritious food, education and hope to the next generation.

Our work would not be possible without you by our side.
